DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 1, and 3 are allowed. The prior art discloses a mobile/IP multimedia subsystem (IMS) with a gateway support node (GGSN), proxy call session control function (PCSCF) and policy decision function for establishing a plurality of media streams with different traffic classes between two mobiles or mobile and server using the session initiation protocol (SIP). The prior art however fails to disclose determining when a media stream with a highest traffic class is removed or modified from a session, than maintaining the traffic class of the remaining media streams.

Claims 2, and 4 are allowed. The prior art discloses a mobile/IP multimedia subsystem (IMS) with a gateway support node (GGSN), proxy call session control function (PCSCF) and policy decision function for establishing a plurality of media streams with different traffic classes between two mobiles or mobile and server using the session initiation protocol (SIP). The prior art however fails to disclose determining when a media stream with a different traffic class is
